

# CERTIFICATE

## OF ACHIEVEMENT

The certificate is presented to

*INSERT NAME*

For your contributions to the Adapted Measure of Math Engagement project, including:

- Collaborated with a team to develop and improve a survey about student math engagement.
- Analyzed feedback from student surveys, focus groups, and teacher interviews to identify common themes and define math engagement.
- Participated in ongoing meetings to reflect on research goals and revise the survey based on input from both students and educators.
- Supported planning efforts to collect additional feedback from students and teachers.
- Engaged in discussions about how the findings could inform classroom practices and better support student engagement in math across Bloomington Public Schools.
