

## Email Recruitment Template for School Partners

**Subject:** Invitation | Research Study to Support Black and Latino Student Math Engagement

**Email Body:**

Dear **INSERT NAME**,

I hope this email finds you well, and that you are having a smooth start to the school year! My name is **INSERT NAME**, and I am a **INSERT POSITION** at **INSERT ORGANIZATION**. Recently, my colleagues (cc'ed) and I were awarded a National Science Foundation grant to conduct a three-year research study that aims to understand Black and Latino middle and high school students' engagement in math.

**We are interested in collaborating with **INSERT SCHOOL** to conduct the research study.** As a result of engaging in the study, your middle and high school will receive the following benefits:

- Actionable, evidence-based, and school-specific practices for engaging your students in math,
- \$7,500 per year for your school's participation in the study,
- Opportunities for your math teachers to earn between \$50 to \$100 per engagement in the study, and
- Opportunities for your students to earn between \$10 to \$100 per engagement in the study.

**Would you have time in the next couple of weeks for a 30-minute meeting to discuss this project?**

Attached is an overview of the research plan for schools.

Thank you very much in advance for considering our research idea, and we look forward to hearing back from you!

**INSERT NAME**

This project is funded by the National Science Foundation, grant #2200437. Any opinions, findings, and conclusions or recommendations expressed in these materials are those of the author(s) and do not necessarily reflect the views of the National Science Foundation.
