

Individual Reflection Worksheet

Write down your responses to the following questions:

1. How has your understanding of math engagement changed?
2. What have you learned about research?
3. What new skills or knowledge have you gained?
4. What have you learned about yourself as a student/teacher through this project?
5. What sort of changes in your math classroom do you hope to see after having gone through this project?

This project is funded by the National Science Foundation, grant #2200437. Any opinions, findings, and conclusions or recommendations expressed in these materials are those of the author(s) and do not necessarily reflect the views of the National Science Foundation.
